## Performance Measures Fourth Judicial District

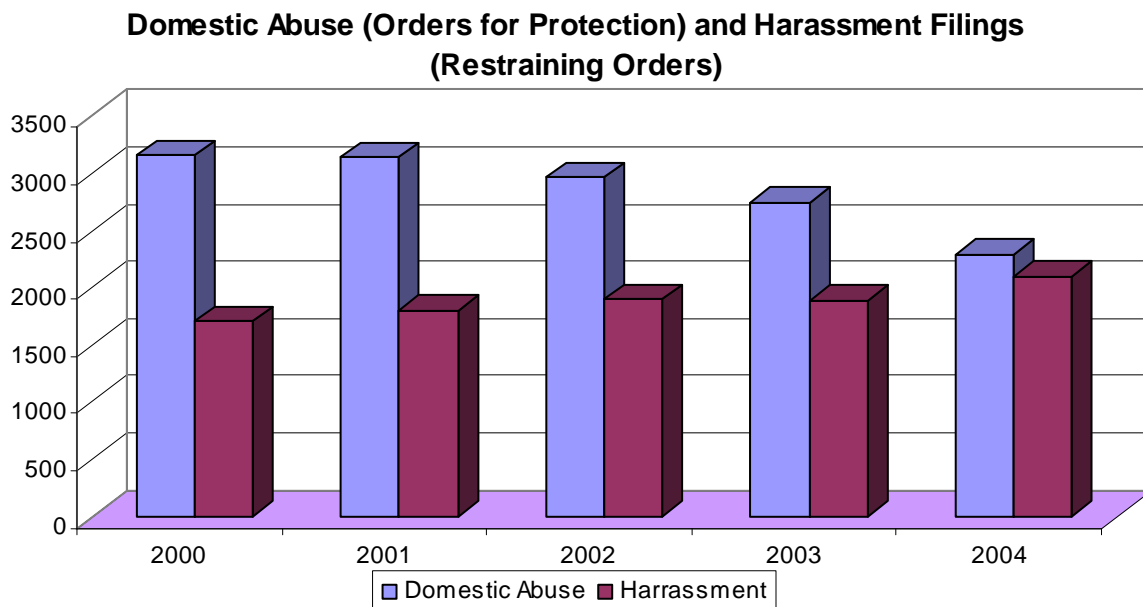

### Background Information on the Domestic Abuse Service Center

The Hennepin County Domestic Abuse Service Center provides support to victims of domestic abuse who are seeking services from the legal system and is located in Downtown Minneapolis at the Hennepin County Government Center.

Any Hennepin County resident who is a victim of domestic violence or is subjected to harassment is eligible for these services. This includes actual or threatened violence by a person with whom there has been a romantic or sexual relationship.

The range of services include: help with getting orders for protection, legal advice from both city and county attorneys, assistance in plans to improve your safety and finding temporary housing.
